

Community Council Meeting Minutes

November 13, 2014

Talked about Trustland goal #3 and how we are going to spend the \$10,000. Shared and proposed the new information and had the council vote to approve it.

We talked about Razkid license to replace Mobymax which is being paid out of another funding source.

We talked about rules of order and procedures for our community council.

Reviewed the Lakeview Elementary website and talked about adding items to the website to meet state requirements.
