

Community Council Meeting Minutes

October 11, 2016

Held in Mrs. Blume's Classroom

Present: Shirley Passey, Cathie Fisher, Lamar Bunderson

Start time: 5:00 pm- 6:15pm

Cathie Fisher, our President, was officiating at this meeting. The agenda was sent to all by email prior to the meeting.

Shirley presented – quick overview of the Trustland and Title I plans

Lynn Raymond presented internet Safety –

Lynn Raymond, Technology Director from the Weber School District technical services department came to our meeting and talked about internet safety and the filters that are in place to protect our students using technology in the building.

He also talked about if our students access our school portal at home they still have the filters in place as well. He spent an hour explaining internet safety and answering questions. After he was finished the meeting was adjourned.

The meeting was adjourned at 6:15 pm.
