

Community Council Meeting

March 7, 2017

Held in Mrs. Blume's Classroom

Present: Shirley Passey, David Campbell, Amy Peterson, Cathie Fisher
Absent: Lamar Bunderson, Julie Bunderson
Start time: 4:30 pm

Cathie Fisher, our President, was officiating at this meeting. Four members were present. The meeting was turned over to Shirley.

For the bulk of the meeting we discussed the Trust Lands goals for next year. We started by reviewing the 2016-17 goals and making the necessary changes for the 2017-18 school year.

Goal #1 talks about student growth in Language Arts. We changed the growth goal from 3% to 5%. This goal pays for a tutor and the computer aide. Both are very important to our school.

Goal #2 is about Math and Technology. We would like to increase student growth in this area by 5%. This goal is used to purchase math programs and pay some for the computer aide among other things.

Goal #3 talks about purchasing devices for learning.

Goal #4 says that we want to maintain the Leader In Me program that was started last year. We want to achieve a 95% attendance in our school.

We reviewed the expenditures section of Trust Lands next. There are several projectors in the building that are getting old and need replacing. This item was added to the expenditures list. Salaries for the reading aide and computer aide and the Leader in Me program are also on the list.

It was suggested that if there is extra money (this is because we are not sure of the amount we are getting from Trust Lands until the Fall) we should purchase technology for grades K-2. All the changes were voted on and unanimously approved. Within the first 10 days school in the Fall of 2017 we need to send out a ballot for Community Council members. We need to increase our parent involvement.

The first meeting for the 2017-18 school year has been set for August 29 at 4:30 pm.

The Meeting was adjourned at 5:30 pm
